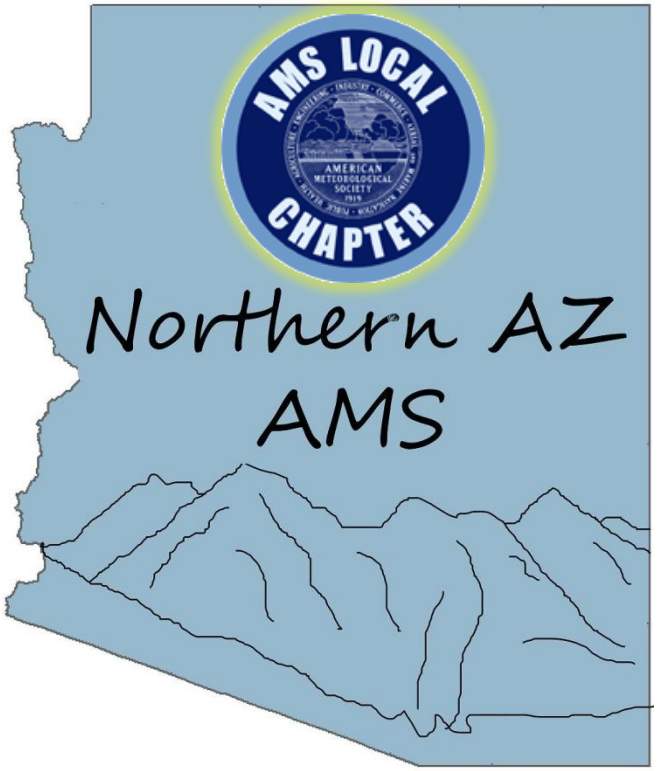
November AMS Meeting!



Wednesday, November 9th 7:00 PM

At Lowell Observatory

Come enjoy Flagstaff's Lowell Observatory and learn about astronomy and it's prevalence in northern AZ!

Meeting Details

- **View Pluto, moon, and stars through telescopes!**
- **Mini planetarium shows**
- **Museum exhibits**
- **For directions, see:**

http://www.lowell.edu/visit_directions.php

Email local chapter President Megan Schwitzer at: megan.schwitzer@noaa.gov for more information.

More information about our chapter can be found at:

http://www.ametsoc.org/chapters/noarizona/ Or, on Facebook.com under Northern Arizona AMS
