

# SKYWARN WEATHER SPOTTER TRAINING ANNOUNCEMENT

**Site:** Mason County Emergency Management  
100 West Public Works Dr, Bldg 1 - Shelton

**Date:** Tuesday, October 6, 2009

**Time:** 6:00 – 8:30 PM

**RSVP to Sandi Kvarnstrom, 360-427-9670, ext 801**  
or via e-mail: [sandik@co.mason.wa.us](mailto:sandik@co.mason.wa.us)

The National Weather Service will train new or veteran spotters, including interested citizens, amateur radio, CERT, citizen corps, and law enforcement, fire, transportation and public works staff, on how to look for and report significant event-driven weather events. Training includes video demonstrations. Spotters are needed, particularly in the rural parts of Mason County, as well as among those who have weather instrumentation, such as an anemometer.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. Class capacity is 35, so sign up early. We look forward to seeing you at this or other Skywarn Spotter training sessions, and receiving your hazardous weather reports.

Traveling north on Highway 101 go past the three Shelton exits, then turn left on State Route 102 (Dayton-Airport Road). Go approximately ¼ mile and turn right on Public Works Drive. Follow the road around to the right and Bldg 1 will be the last building on the left. Use visitor parking.

Coming south on Highway 101, turn directly on to Public Works Drive. Bldg 1 is the first building on the right.
