

# SEPTEMBER 14<sup>th</sup>

## On this day in...

**2011:** A funnel cloud was observed near Warner Springs.

**1997:** Large swell produced by Hurricane Linda slammed into Orange County. Five people were swept off a jetty at the Wedge in Newport Beach and were carried 300 yards out to sea before they were rescued by a passing boat.

A funnel cloud developed, but never touched down near Warner Springs. The Ocotillo reached for the Mammatus cloud in the desert on this day in 2011.
